

The bank for your business.

American Chartered Bank

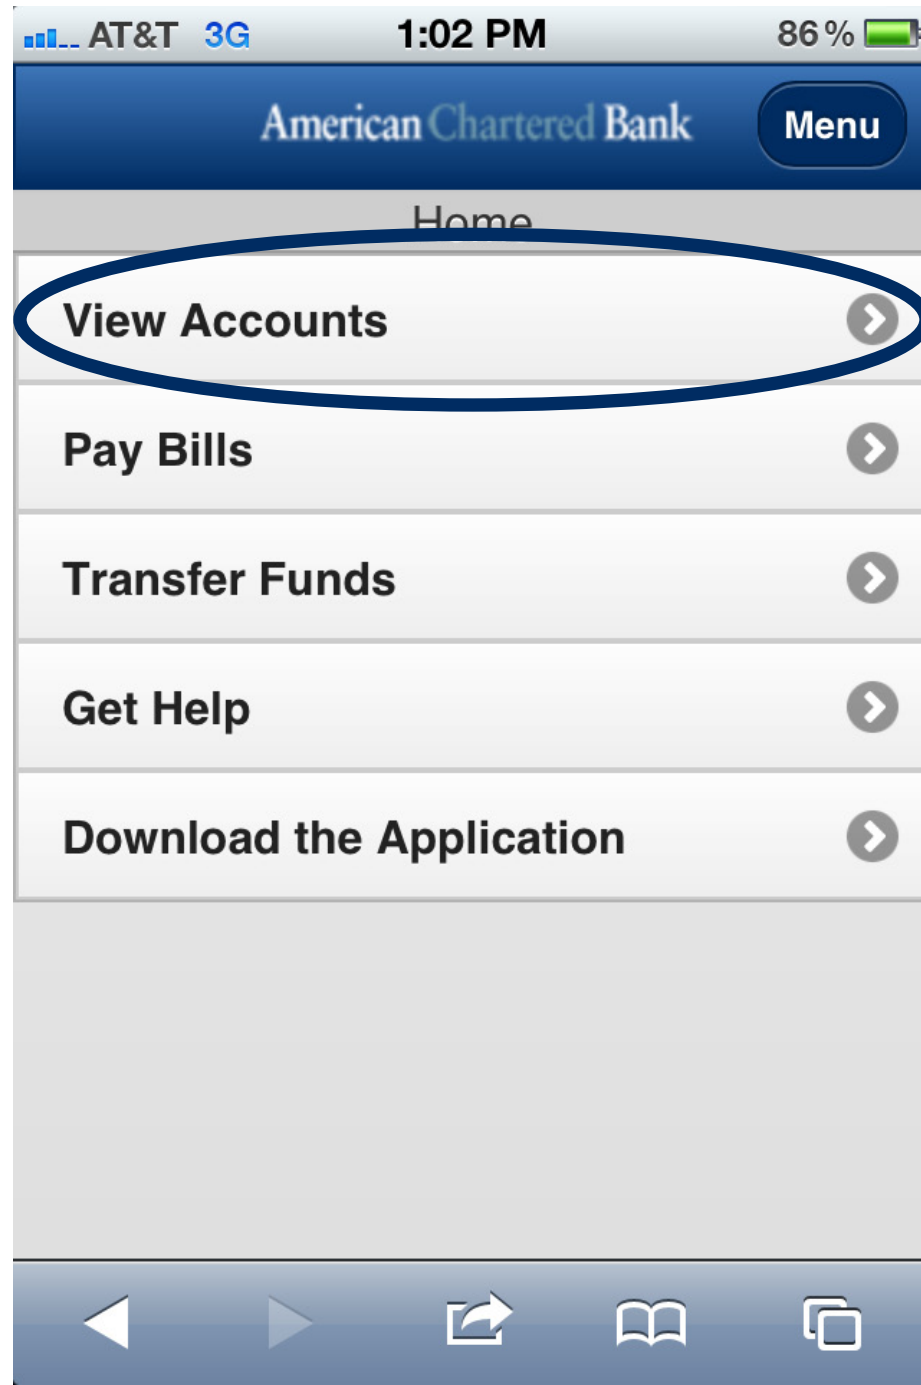

Setting Up Mobile Banking.

(Browser-Based Mobile Banking)

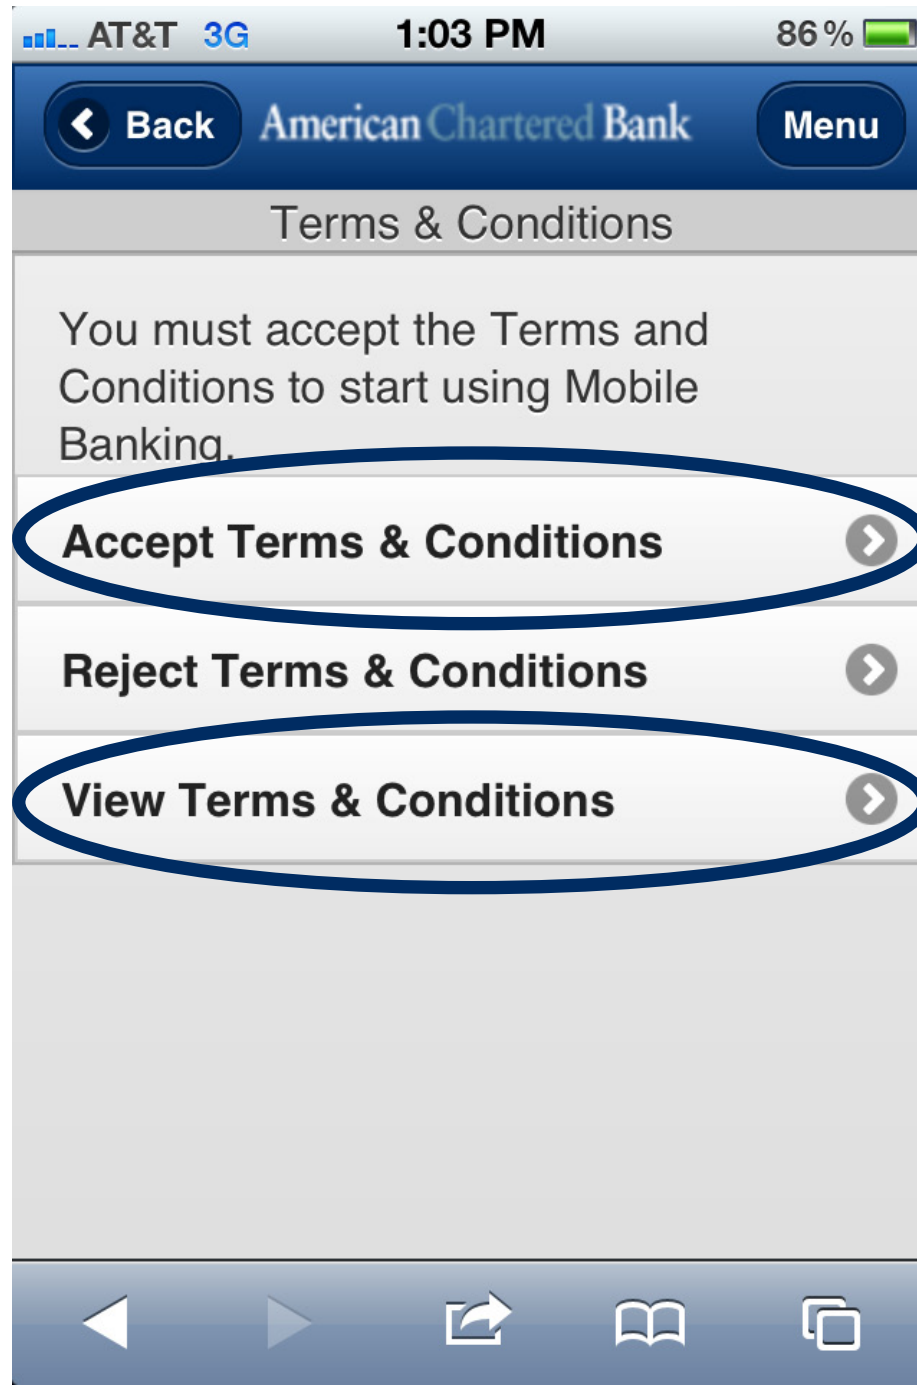

1. Go to m.americanchartered.com on your mobile phone, and click “Login”

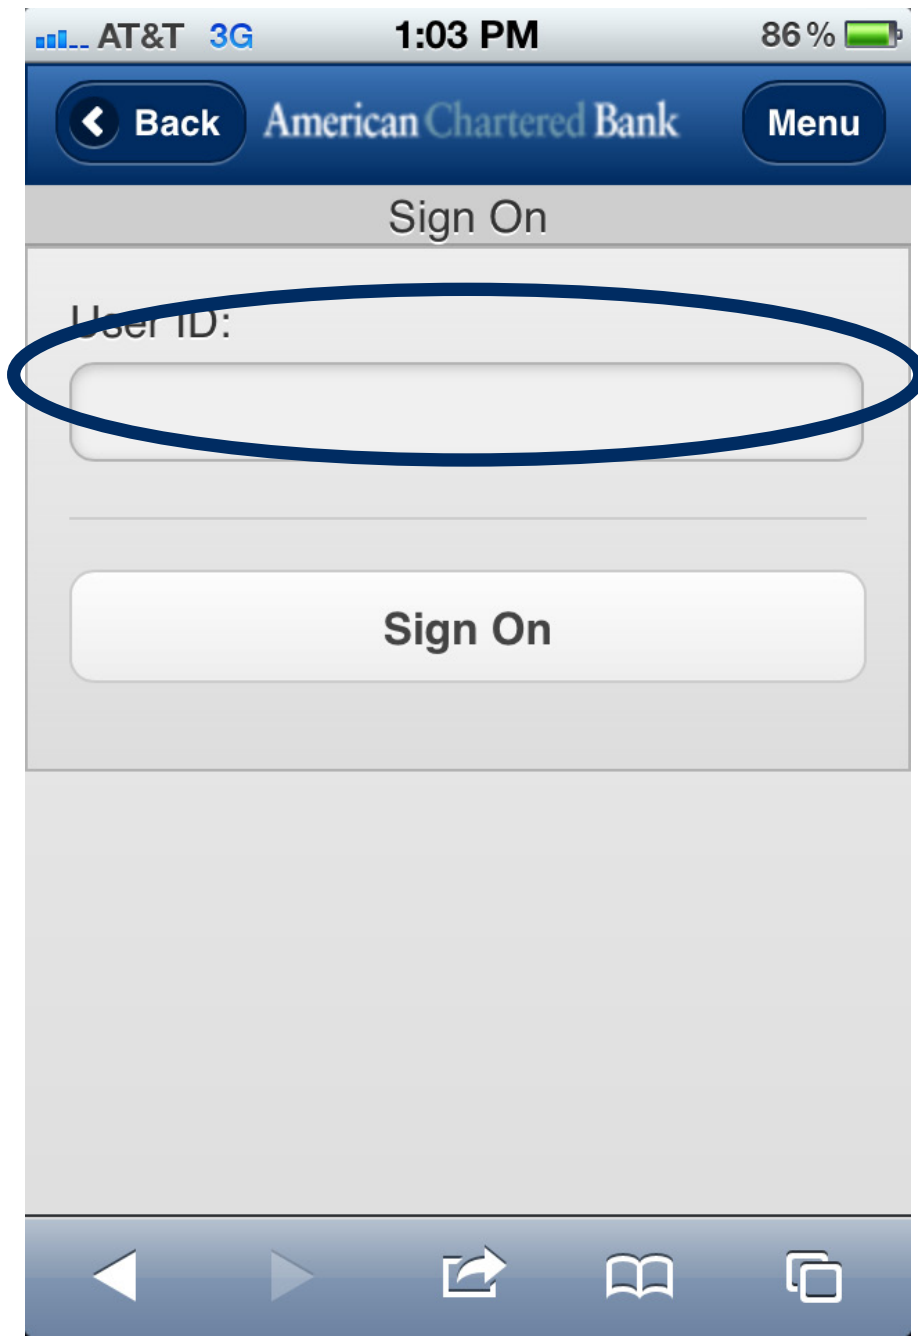

2. Click “View Accounts” to trigger the login screen.

3. View and Accept the Terms & Conditions

4. Enter the same User ID that you use for Online Banking. (**Remember that your user name is case sensitive** and some smart phones automatically capitalize the first letter typed.)

5. Answer the Security Questions that you set up when you signed up for Online Banking, and choose whether or not you would like to save your device. (If you choose to save your device, you will not have to answer the Security Questions during future log ins.)

Password

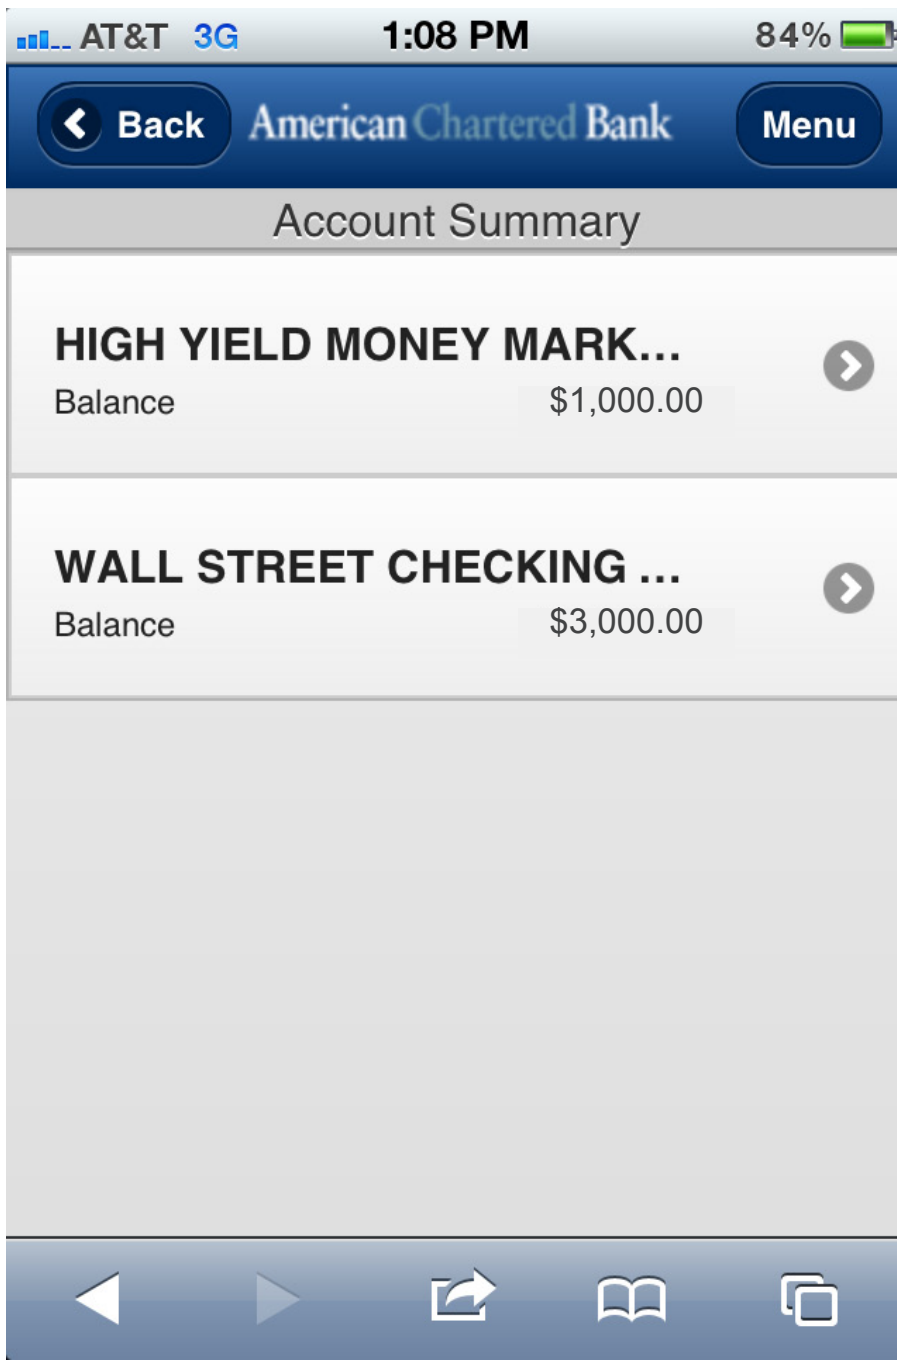

Not your image and phrase? DO NOT enter your password.

Sign On

7. Enter your Mobile Phone Number as a 10 digit number.

8. You may now begin using Mobile Banking!

With the browser-based Mobile Banking “Web App” you can do almost everything you can do in the full version of Online Banking. Including:

- View Account Balances
- View and Search Recent Transactions
- Pay Bills
- Transfer Funds
