

The bank for your business.

**American Chartered Bank**

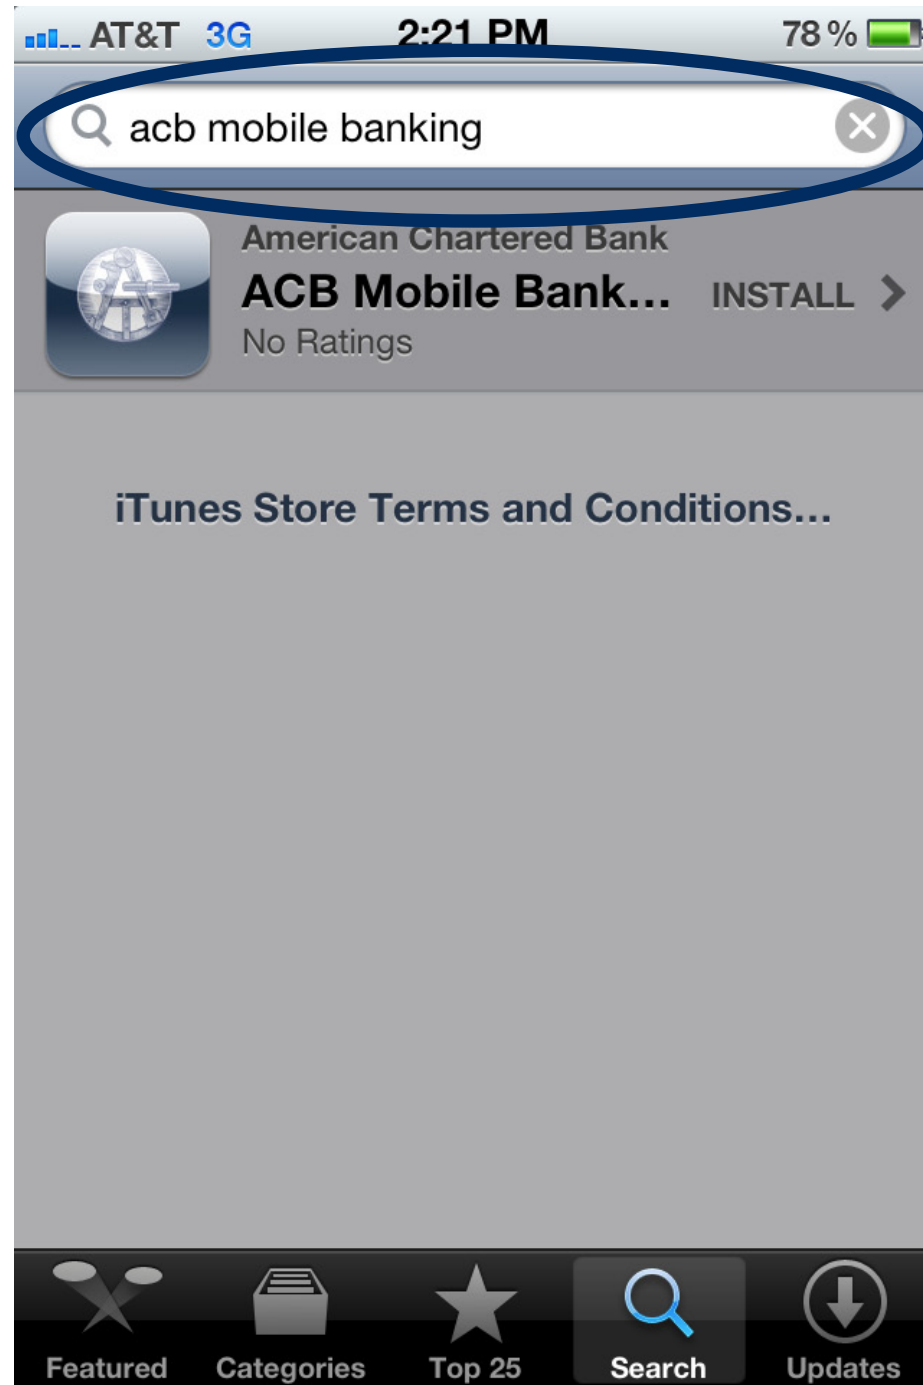

# Setting Up Mobile Banking.

(ACB Mobile Banking iPhone App)

1a. There are two ways to download the application. - Go to m.americanchartered.com on your mobile phone, and click "Login" then "Download the Application"

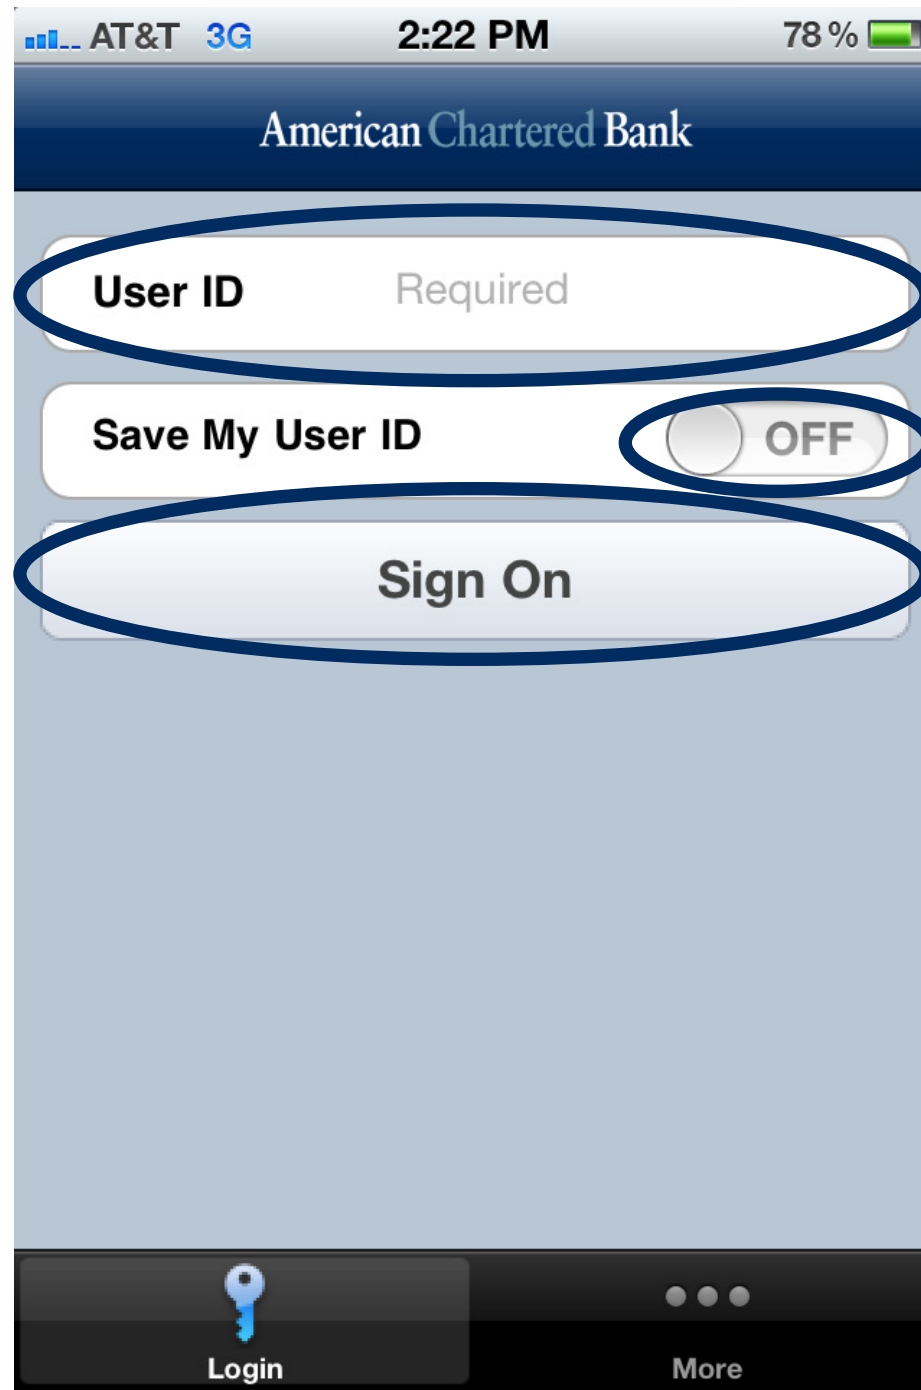

1b. OR Search for ACB Mobile Banking in the App Store.

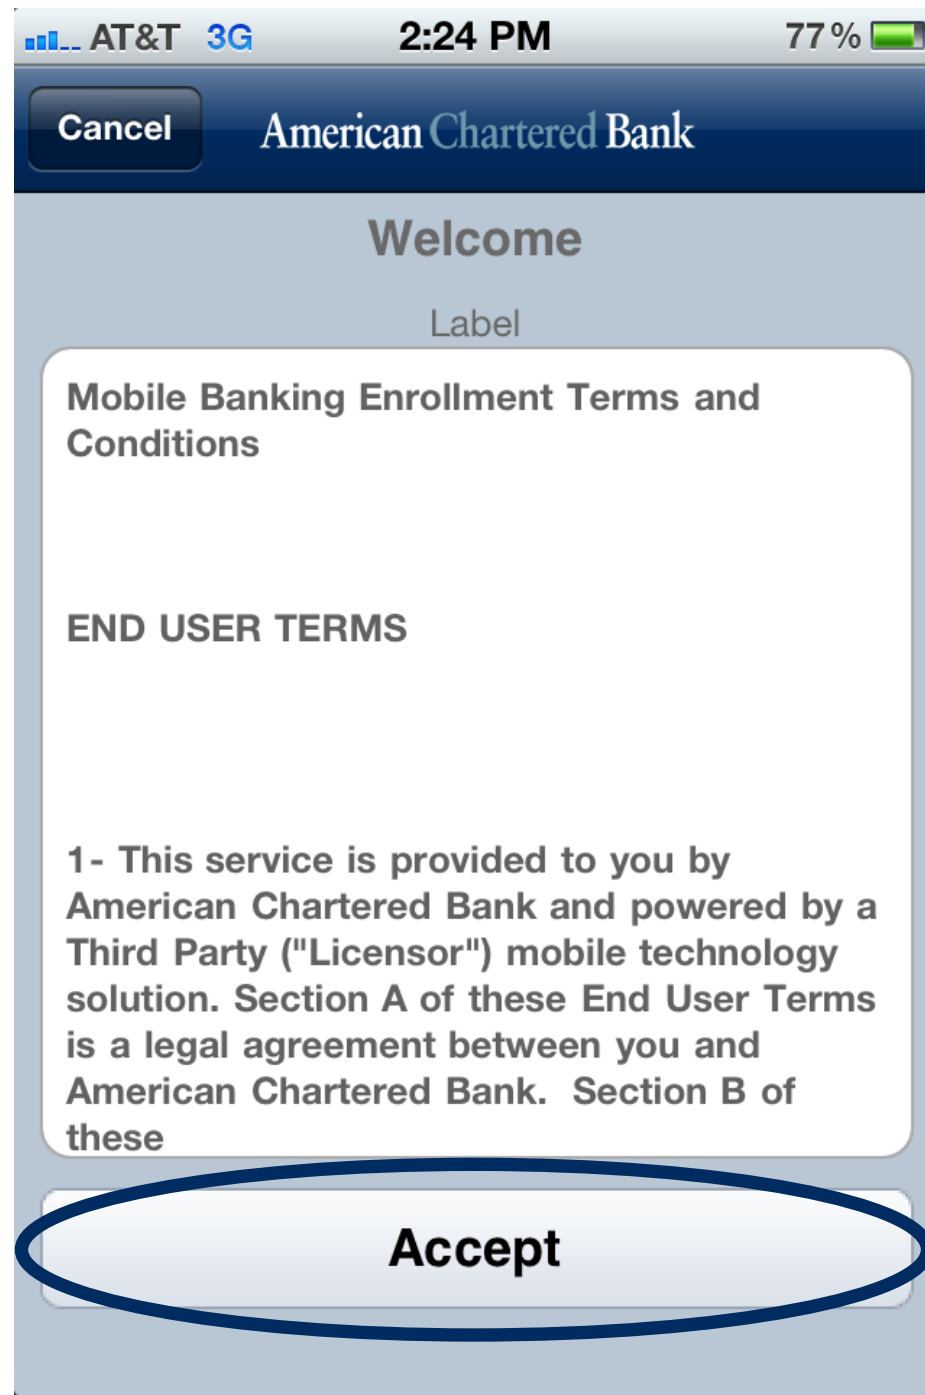

## 2. Install the Application

3. Enter the same User ID you use for Online Banking and choose whether you want to save your ID on your device or not

## 4. Read and Accept the Terms and Conditions

5. Answer the Security Questions that you set up when you signed up for Online Banking, and choose whether or not you would like to save your device. (If you choose to save your device, you will not have to answer the Security Questions during future log ins.)

**Cancel** American Chartered Bank

What is your mother's first name?

**Answer** Required

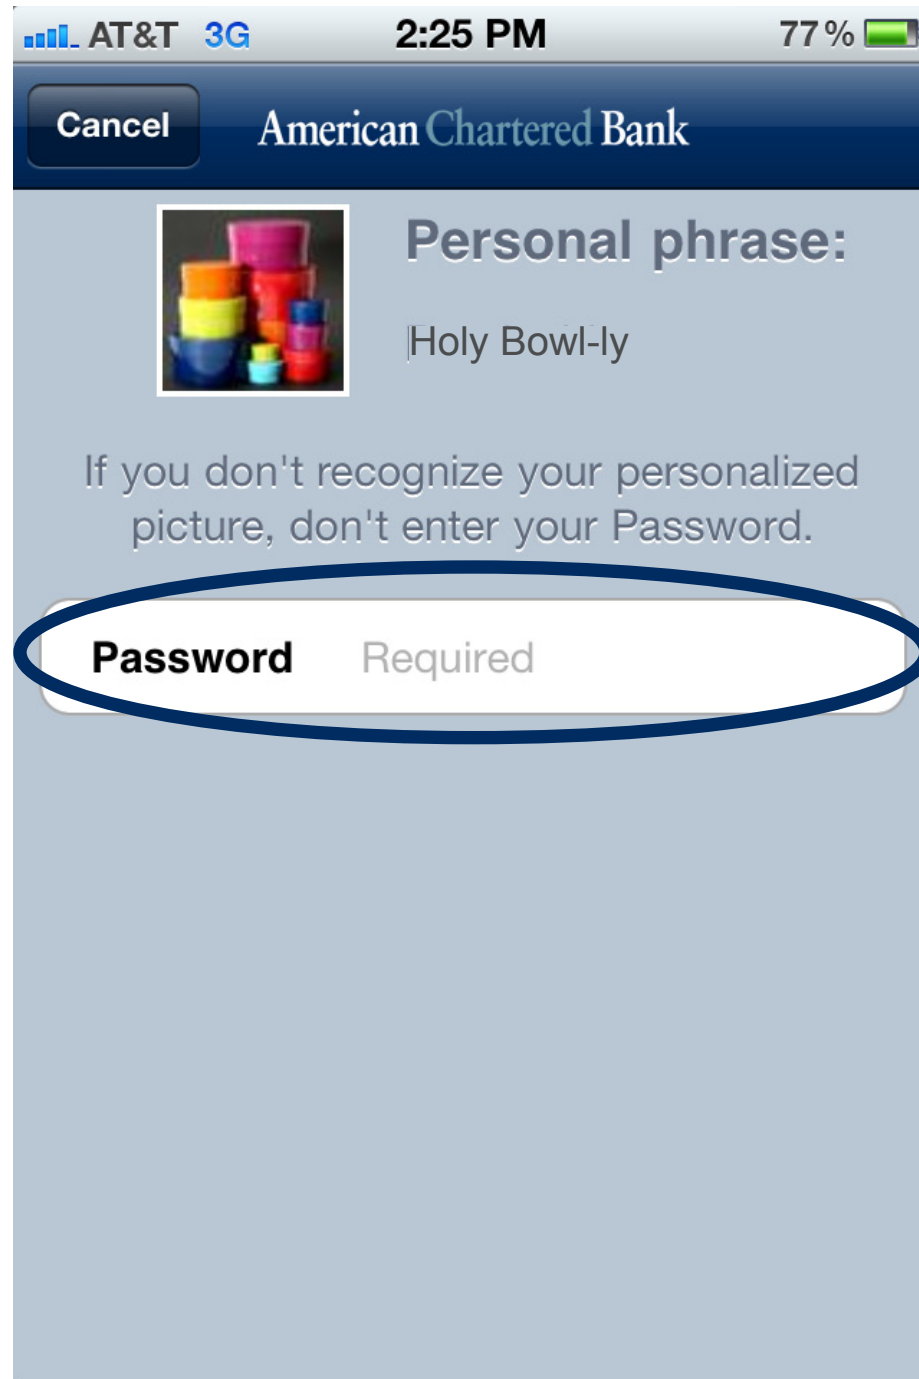

What is the first name of your youngest sibling?

**Answer** Required

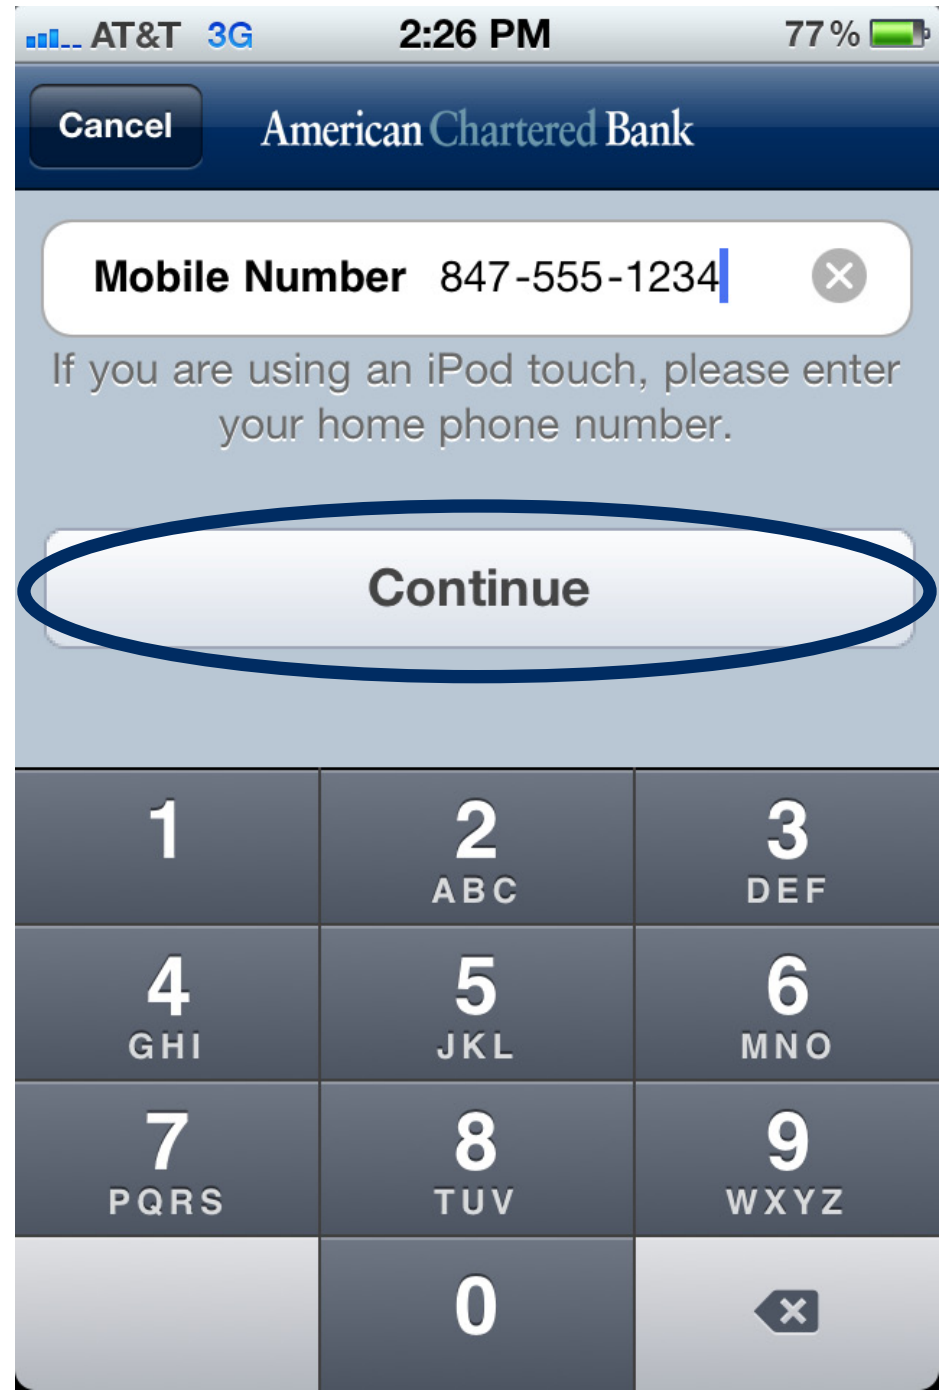

**Remember Me**  OFF

Recommended if you use this device often.

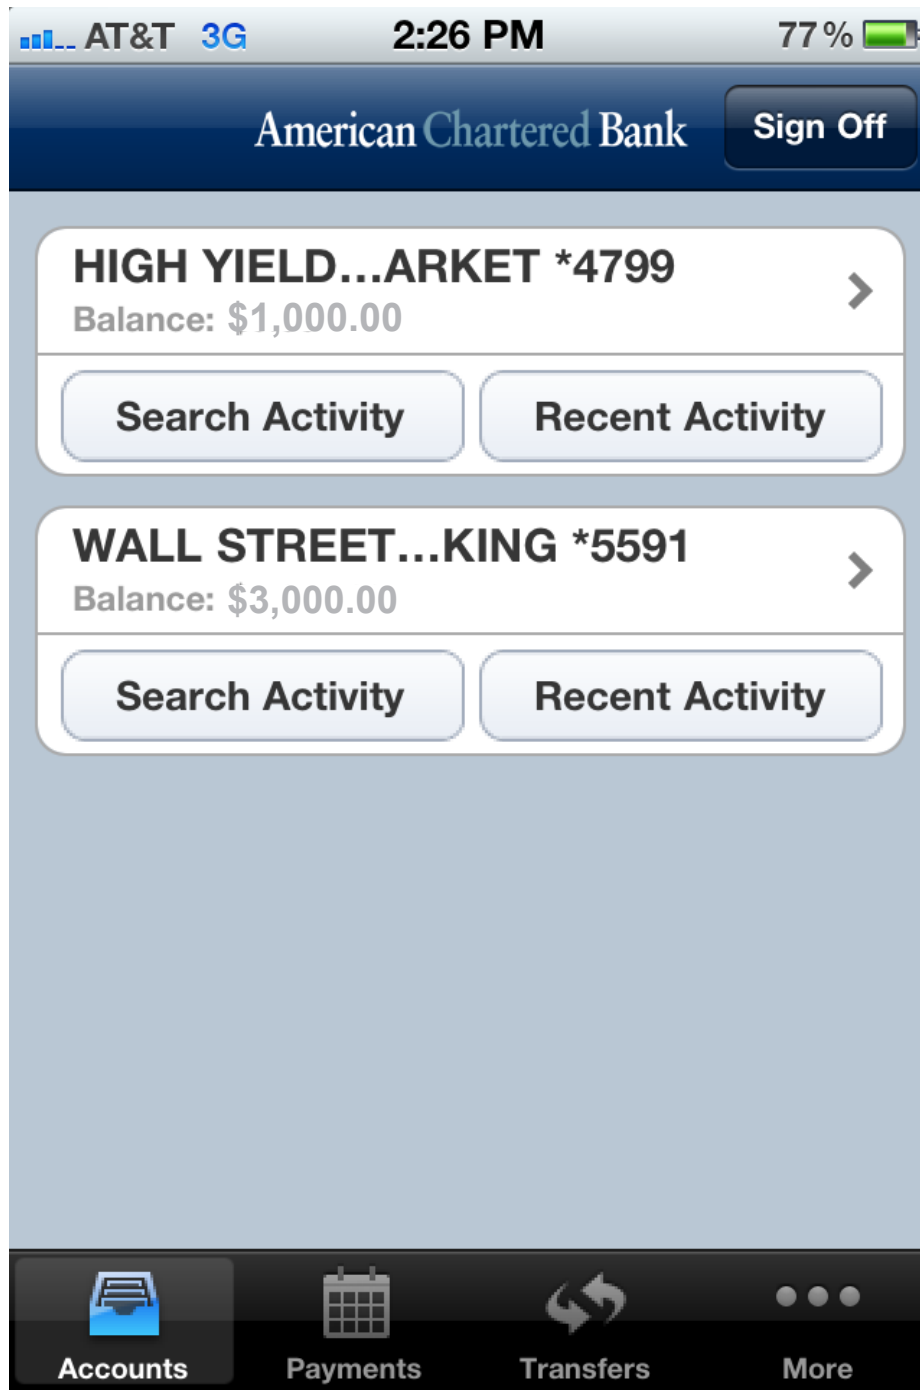

6. You should see the security image and phrase that you establish when you set up Online Banking. Enter the same Password that you use for Online Banking

7. Enter your Mobile Phone Number as a 10 digit number. The application will add the dashes for you.

## 8. You are now ready to use the ACB Mobile Banking iPhone App!

With the ACB Mobile Banking iPhone App you can do almost everything you can do in the full version of Online Banking. Including:

- View Account Balances
- View and Search Recent Transactions
- Pay Bills
- Transfer Funds
